Position:	Headteacher
Date agreed:	September 2019
Next Review:	September 2020

**Contents:**

Policy Aim ..... 3-4  
Procedure for Lockdown ..... 5-6

## **Policy aim:**

Lockdown procedures should be seen as a sensible and proportionate response to any external incident which has the potential to pose a threat to the safety of children and adults in the setting.

Lockdown procedures may be activated in response to any number of situations, but some of the more typical might be:

1. A reported incident or disturbance in the local community (with the potential to pose a risk to children and adults in the setting)
2. An intruder onsite (with the potential to pose a risk to children and adults in the setting)
3. A warning being received regarding an environmental risk locally, of air pollution (smoke plume, gas cloud etc)
4. A major fire in the vicinity of the setting
5. The close proximity of a dangerous animal

### 1) Partial lockdown

#### PARENTS SHOULD NOT:

- CONTACT THE SETTING DURING LOCKDOWN AS THIS COULD BLOCK TELEPHONE LINES THAT ARE NEEDED FOR CONTACTING EMERGENCY SERVICES
- SHOULD NOT COME TO THE SETTING DURING LOCKDOWN AS THIS MAY PLACE THEMSELVES AND OTHERS IN DANGER
- WAIT FOR THE SETTING TO CONTACT THEM ABOUT WHEN IT IS SAFE FOR THEM TO COME AND COLLECT THEIR CHILD

A partial lockdown is a precaution aimed to keep children and staff safe while remaining indoors. This may be as a result of a reported incident/civil disturbance in the local community with the potential to pose a risk to children and staff in the setting. It may also be as a result of a warning being received regarding the risk of air pollution, etc. In a partial lockdown staff and children should remain in the building and all doors leading outside should be locked. No-one should be allowed to enter or leave the building; however the setting can continue as usual.

#### What usually happens during partial lockdown?

- All outside activity to cease immediately, children and staff return to building. (There needs to be a means of communicating the alert to staff). All staff and children should remain in the building and external doors and windows should be locked.
- Free movement may be permitted within the building dependent upon circumstances
- In the event of an air pollution or chemical, biological or radiological contaminants issue, air vents, fans, heating and air conditioning systems should be closed or turned off.
- Seal up all the cracks around doors and any vents into the room – aim to minimise possible access points of pollutants

2) Full lockdown This signifies an immediate threat to the setting and may be an escalation of a partial lockdown Immediate action:

- All children and staff should return to/stay in the building • External doors should be locked
- Internal doors might be locked (where a member of staff with a key is present)
- Lock windows, draw blinds and curtains, cover internal door windows (so an intruder cannot see in)
- Staff and children to sit quietly out of sight and where possible in a location that would protect them from harm such as gunfire (bullets go through glass, brick, wood and metal). Consider locations behind substantial brickwork or heavy reinforced walls.
- Turn off lights, computer monitors
- Turn off mobile phones (or at the least turn onto silent so they cannot give away your position)
- A register should be taken and headcount completed of all staff and children at the setting
- Children should not be released to parents during a lockdown and staff should not leave the premises unless instructed to do so

## The Bridge Procedure for full lockdown

### PARENTS SHOULD NOT:

- CONTACT THE SETTING DURING LOCKDOWN AS THIS COULD BLOCK TELEPHONE LINES THAT ARE NEEDED FOR CONTACTING EMERGENCY SERVICES
  - SHOULD NOT COME TO THE SETTING DURING LOCKDOWN AS THIS MAY PLACE THEMSELVES AND OTHERS IN DANGER
  - WAIT FOR THE SETTING TO CONTACT THEM ABOUT WHEN IT IS SAFE FOR THEM TO COME AND COLLECT THEIR CHILD
- 
- All staff have been told to be vigilant and if they see something which is likely to cause harm to immediately contact the office to start Lockdown procedures
  - Office Staff will confirm a full or partial lockdown by calling across both radio channels "LOCK DOWN, LOCK DOWN, LOCK DOWN" so that everyone can hear, staff outside should open the door and shouting "LOCK DOWN, LOCK DOWN, LOCK DOWN"
  - Count the children as they come inside, checking the total with the register. Immediately and checking Staff all present.
  - On hearing this alarm call all staff to return to their classrooms. Checking each area is empty as they go, locking external doors and windows; turn off lights and closing internal fire doors.
  - One member of staff immediately counts the children/ staff and check against totals in register. If a child or staff member is missing the Headteacher (or senior staff member in her absence) to search in the building and bring them back to the class as quickly and quietly as possible.
  - If the group is swimming all children and staff to enter the changing areas and turn off lights remaining calm and quiet.
  - One member of staff to ensure no entry on the primary doors.
  - Caretaker to lock primary front gates
  - One member of staff to secure secondary front doors and lock down hatch
  - Secondary front office staff to move to meeting room
  - Staff sit with the children to help keep as calm and quiet as possible.
  - TURN LIGHTS OFF AND KEEP THE GROUP AS QUIET AS POSSIBLE
  - Parentmail messages will be sent to all parents alerting them off the lockdown and to follow procedures
  - All staff to turn mobiles to silent and turn radio's down. Radios only to be used to alert of missing children and to receive messages from SLT/Office staff.
  - Office staff to bring down telephone (turn volume down) and turn mobile phones to silent.
  - A senior member of staff to ring 999 to report the incident and follow their instructions
  - If a group are on an outing when the incident occurs, a staff member to telephone them to tell them NOT to return to school until the all clear has been given. If it is safe to do, the group should stay where they are e.g. in the library/museum. If they are on their way back to the school, to stop and go

back to the venue and stay there until advised otherwise. The staff on the outing to ring the police for advice. On being told to do so by police, the staff would contact the parents and notify them of the incident. If safe to do so, we would suggest to parents to collect their children from the venue. If not, we would remain there until it was safe to leave and return to school.

- We would remain in the classrooms until told otherwise by the authorities, supporting the children and each other, for as long as necessary
- If the incident is being dealt with by the authorities and we are not directly affected and have been told to do so by the police, we will return to normal school running keeping the children inside until told otherwise.
- We would remain within the school building (not venturing into either the playgrounds or cross between buildings) until the all clear has been given by the authorities.
- On being told to do so by the police, we would text parents to notify them of the incident. The school telephone would be manned to receive incoming calls.

To reduce the risk of someone entering the building to cause harm, procedures include:

- Key pad/SALTO entry system
- A member of staff is located in the hallway during busy drop-off and collection times
- The front door is locked after these busy time and parents/visitors ring the bell for entry
- All gates are padlocked
- Parents told to inform us if anyone other than themselves or the usual school transport are collecting/dropping off and provide a password where necessary.
- Outside lights so we can see when it gets dark

After lockdown has taken place: A letter to parents will be sent home as soon as possible following any serious incident to inform parents of context of lockdown.

Following the need for lockdown, the setting management will create a full record of the event. Policies and procedures will be reviewed as soon as possible to identify any areas for potential development.

A notification of significant incident will be made to Ofsted within 14 days (preferably as soon as possible after the incident).

PLEASE NOTE: Staff will practise this during the school year. We will not be practising with the children as we feel this could cause them undue stress.
